President called meeting to order: Becki Perelli. At 3:00 pm

Our next meeting is scheduled for the 15th of April 2005 at Ohlone Community College. No executive meeting will be held at Ohlone Community College.

Becki stated we needed to find a President Elect who may serve a very short time. The responsibilities would require the person to help her with the many types of communication the president must perform. Kate Hartzell agreed to be president elect. up to June of this year. Charlene Riley will continue to be secretary and Angie Hill will continue to be treasurer.

The region representatives are as follows:

Region 1	Susan Dontanville
Region 2	Janet Olson
Region 3	Sharon Bartels
Region 4	Hilda Sielicki

Since, it is difficult to meet due to the many miles that separates our colleges, we could schedule a break out session during our net meeting so that each region could meet. According to the new by-laws, we will have only one representative from the northern section belonging to the executive board.

Becki urged everyone to please read the by-laws prior to our meeting in April.

Conference for March 2006

Hilda Sielicki along with Region 5 has agreed to organize our next conference. There has been an effort to identify a location in the valley but airport accessibility is not available. Merrilyn Brady has looked into hotels in San Francisco and San Jose and will compare expenses with both of these cities. Topics of interest so far are in Nutrition, Eating Disorders and Student Learning Objectives.

March 15 is Legislative Day in Sacramento. We must get our students to show up for March on March. Some colleges might be in the middle of Spring Break. This could make a difference if we can find students to participate in this march at the Capitol.

We must also get our packets of information on AB982 distributed to key people in our districts.

The meeting adjourned at 3:30 pm

Respectfully submitted,

Hilda Sielicki
